

To Whom It May Concern,

It is my pleasure to recommend David Somerfleck. His assistance in my campaign for Colorado House District 28 has proven to me that he will be a valuable addition to any company or campaign.

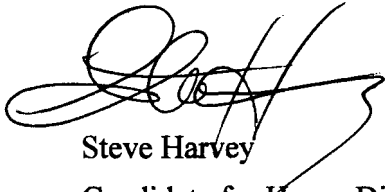

I have known David in my capacity as candidate for Colorado House District 28. David worked for me on various projects overseeing political campaign communications, and based on his work, I would rank him as one of the best consultants we have ever had.

David distinguished himself by consistently submitting exceptionally well-researched and well-written messaging, framing, branding, letters, slogans, and other political campaign materials. David is highly intelligent and has good analytical skills.

If his performance in our campaign is a good indication of how he would perform in yours, he would be an extremely positive asset to your program.

If I can be of any further assistance, or provide you with any further information, please do not hesitate to contact me.

Yours Sincerely,
